

**HB EXTERIOR  
DESIGN ELEMENTS™**  
HB ELEMENTS® COLUMNS

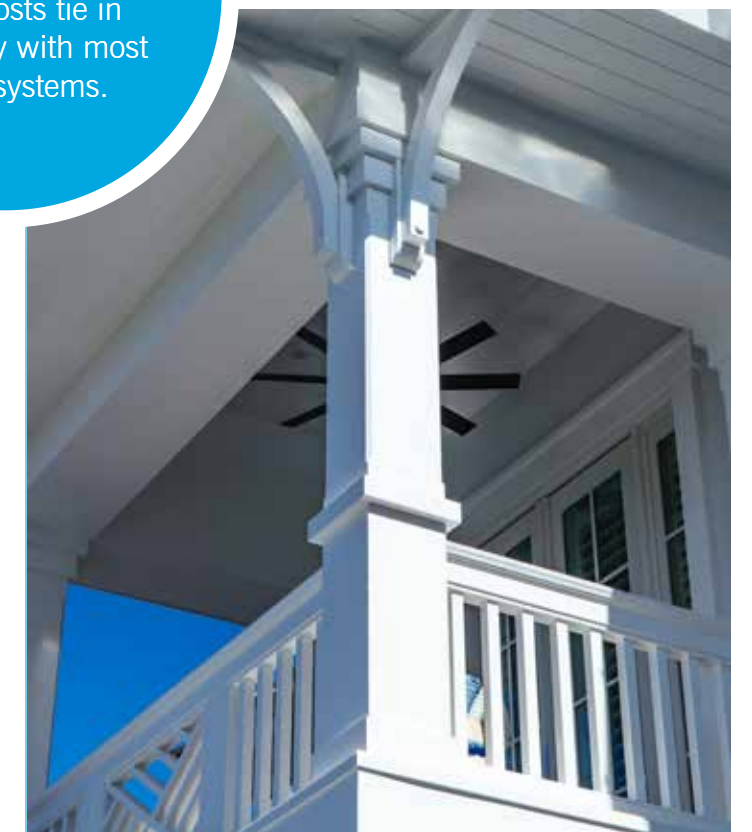

HB Elements® columns are available in a wide selection of sizes and styles accompanied by a variety of capitals, astragals and bases, ideal for wrapping existing structural wood, steel or masonry columns. They can be used for most non-structural applications. We can match most custom specifications you may have or we can design an architecturally correct custom column with an unlimited combination of column styles, configurations, capitals, astragals and bases. HB Elements® pedestal columns and matching newel posts tie in seamlessly with most railing systems.
